

淡江大學八十九學年度日間部轉學生招生考試試題

82

系別：英國語文學系三年級

科目：英文作文

本試題共 / 頁

Selection **ONE** of the following three topics and write a multiple (at least three) paragraph composition in English.

1. Write a composition telling about the programs, students, faculty, facilities, and extracurricular activities of an educational institution you have attended or know well.
2. Write a composition telling whether you think a housewife should receive a salary or not?
3. Write a composition telling about what you think an ideal education should be?

Your composition will be given a percentile grade (with 100% as perfect score) weighing the following points:

Ideas: Is the main idea visible? significant? Are subordinate ideas visible? distinct? related? sufficient?

Supporting Material: Are ideas appropriately proven, explained, exemplified, documented? Is the support clear? sufficient? effective?

Organization: Is the introduction appropriate? Is it sufficient to cover the paper? Is it effective? Is the conclusion appropriate? sufficient? effective? Is the sequence of parts visible? logical? Are transitions effective? Are paragraphs proportionate (neither too long nor too short)?

Expression: Are sentences varied? effectively constructed? Is diction appropriate? accurate? Is the language used standard English?

Mechanics: Are there complete sentences? Is punctuation correct? Is language usage grammatical? Is spelling correct? Is format correctly followed?
