# 淡江大學 102 學年度進修學士班轉學生招生考試試題

系別：英文學系三年級

科目：英文作文

考試日期：7月22日(星期一) 第3節

本試題共 1 大題， 1 頁

Following the H7N9 bird flu cases reported in China and the recent food alert in Taiwan, people are getting increasingly aware of what they eat and how safe it is.

Discuss some of the advantages and/or disadvantages of a vegetarian diet. To what extent do you welcome the idea to cut down our consumption of meat and processed food? What are some of the implications of a vegetarian diet for an individual, a society, and the world? (100%)
