Graduate Institute of American Studies

Please write an essay for each of the following questions. (20% each)

1. How do you account for U.S. strong posture in the Cuban Missile Crisis in 1962 and U.S. support of British Falklands War in 1982 under the Monroe Doctrine?
2. How do you depict Harry S. Truman's role in maintaining U.S. superpower status economically, militarily, and politically in the postwar era?
3. How do you identify the different roles the U.S. Congress has played in providing Taiwan with its assistance since 1949?
4. What did the United States contribute to the collapse of the Soviet Union? How did China feel strongly that it had lost its original significance within one year after the end of the Cold War?
5. Will the United States be in decline and replaced by another great power as other great empires had been for the past several hundred years? How can the United States cope with the changing world and meet the new challenges in the post-Cold War era?
