Enrollment Examination of U.S. Diplomatic History for Ph.D. Program Students

1. If the Monroe Doctrine still holds true, how will the United States justify its behavior in Falklands War of 1982?
2. Why is the United States not in decline and instead bound to lead in the post-Cold War era?
3. How will you compare America' use of its power in the Gulf War of 1991 and that in U.S.-Iraq War of 2003?
4. How will you evaluate the U.S. political, economic and military roles in its relationship with Taiwan and China for the past five decades?
5. Why did the United States tolerate China's anti-secession law, while incorporating the maintenance of Taiwan Strait peace into the strategic goals of U.S.-Japanese security alliance announcement?
