Please answer all essay questions in detail either in English or in Chinese.

1. Why could the United States maintain a bipartisan foreign policy in the Cold War era? And why can Washington no longer pursue such a policy in the post-Cold War era?
2. Since Barack Obama became the U.S. president in 2009, how have Washington responded to Beijing's claims on "core interests?"
3. The United States has constantly invited China to be a part of G-2 taking the responsibility as a hegemonic leader since 2009, whereas Chinese Premier Wen Jiabao responded "China will never become a hegemon after being strong" in his speech at the United Nations in September 2010. What are the differences between U.S. perception of hegemonic leadership and China's perception of hegemon?
4. What are in need if the United States is seriously coming back to Asia?
