American Politics and Government 2006 Enrollment Test

Please answer the following questions in essay style. (20% for each)

1. What are the four characteristics of the U.S. government which affect its capacity to govern? How has the U.S. government done to improve its governability?
2. How has the Supreme Court reasserted its constitutional power to really make itself one of three branches of the federal government of the United States?
3. What are the relations between political thoughts and political institutions in the United States?
4. Why has the U.S. Congress always played a passive role in the conduct of U.S. foreign policy? How can it make good use of political and economic resources to reassert its constitutional power in this regard?
5. Can a U.S. president to press ahead with his policies by relying upon his constitutional power alone? What else does he need to push for his plans?
