English spelling is extremely complex, and this means that even in the early stages, reading is not a simple matter. There are two basic methods used in teaching children to read, the 'look and say' method and phonics. The English spelling system basically _____ 56 _____ speech sounds by letters, and the latter teaching approach encourages children to match the sound to the letter. But phonics does not help with the many words in English that do not _____ 57 _____ phonic rules. This is where the former method _____ 58 _____ in. The 'look and say' method is designed to make use of children's visual memories and in this way give them _____ 59 _____ to a wider range of words. It encourages recognition of the whole word rather than its constituent _____ 60 _____.

- 56. (A) pronounces (B) represents (C) teaches (D) writes
