Answer each of the following questions in essay form: 100%

1. Define "understanding of the target culture", and discuss its role in the EFL teaching practice? Give examples to justify your viewpoint. (25%)
2. What are "learning styles"? For each learning style, name at least one teaching method that would appeal to it, and explain how. (25%)
3. In your opinion, how should EFL learners' oral or written errors be treated (e.g. no treatment at all, learners' self-correction, corrective feedback from the instructor)? Support your stance with examples and evidence from SLA research. (25%)
4. Would you agree or disagree with the statement that "children are better language learners than adults in second language acquisition?" Why or why not? (25%)
