

系別：英文學系 B 組

科目：英語教材教學法

考試日期：5 月 26 日 第 2 節

本試題共 4 大題， 1 頁

Essay questions

1. What are some of the factors within learners that affect pronunciation? To what extent can you tolerate different accents? Do you think speaking a foreign language with a native-like accent is crucial to successful language learning? Why or why not?
2. Many second or foreign language teaching methods favor the use of authentic materials. How do you define *authentic materials*? Choose one kind of authentic materials and demonstrate how you might use the authentic materials in a particular teaching method.
3. Communicative Language Teaching is considered an umbrella term for some relevant ESL/EFL teaching methods. Please explain why and illustrate those teaching methods that might be relevant to CLT and, finally, please state some important principles of Communicative Language Teaching.
4. If you are assigned to teach an English for Specific Purposes (ESP) class, how do you do needs analysis? Please explain the purposes of doing needs analysis and use an example to demonstrate what elements should be covered in your needs analysis.
