本試題共 1 頁

English composition, TKU Tesol Ph.D. entrance exam

Scoring of content & argumentation: 100%

Topic: The relevance and importance of your research

If you receive a Ph.D., you will have to spend the rest of your professional career engaged in research. Discuss the **relevance** of your research interests to your actual teaching in the classroom and describe how your research will bring **prestige** to the academic institution that employs you.
