

淡江大學 105 學年度博士班甄試招生考試試題 3-1

系別：英文學系 B 組

科目：英文(含英語語言學議題)

考試日期：12 月 5 日(星期六) 第 1 節

本試題共 3 大題， 1 頁

Please answer **two** of the following questions. Each is 50 points.

1. The use of technology has influenced the nature of student activities which in turn affects how teachers may set goals and construct the learning environment. What are the principles for Computer Assisted Language Learning (CALL) pedagogues? What are the advantages and disadvantages of implementing CALL in English language learning and/or teaching?
2. It is stated that the real acceleration of change in linguistic description and pedagogy occurred during the twentieth century. Please describe the prominent changes and their impacts on second language teaching and learning.
3. In recent years, language educators have adopted various forms of 'alternative' assessment. Please describe and critique some forms of alternative assessment. In other word, what are the advantages and disadvantages of implementing alternative assessment in foreign language classrooms?
