Write a two-paragraph essay by using the quote below. In the first paragraph, explain what the quote means. In the second paragraph, write how this quote can guide you through the study in your academic discipline.

*"Knowledge is power." Rather, knowledge is happiness, because to have knowledge -- broad, deep knowledge -- is to know true ends from false, and lofty things from low. To know the thoughts and deeds that have marked man's progress is to feel the great heartthrobs of humanity through the centuries; and if one does not feel in these pulsations a heavenward striving, one must indeed be deaf to the harmonies of life.*

-Helen Keller
